

What to look for in an ABA Program

Qualified Staff— Masters Level

BCBA's to write programs and oversee BCaBA's and RBT's. Ongoing training .

Safety—Background checks . Adequate staff / child ratios.

Experience—Has the provider worked with children your child's age? What assessments will be done to determine you child's program. What training will they offer you? Does the provider have any areas of specialty ?

Hours—How many children does the clinician work with. How many hours will be spent with your child?
