Looking for Something Free and Interesting to do this Summer?

Meet Up at the Worcester Library!

- Join us for a meet up and tour at the Worcester Public Library. Start with meeting up with others in our group for a snack at the Library Café. Then, a tour and question and answer period with a Librarian. Lastly you can explore other resources of your interest that the library offers such as their various free classes, social programs, and resources.
- Discover what libraries have to offer you and others. Libraries are more than just books. The Worcester Library is just one example of what libraries can offer you.
- Check out what interesting things your local library offers. Let me know what you find and I will share this information with all our members. - Dianne

Cooking Class - Pizza and Fruit Salad

The class will make an easy delicious and nutritious homemade pizza with fruit salad on the side. The class will then enjoy eating what they have created. This class is being taught by Dietician Jen Drohan. This class is being held at Centro Inc. in Worcester who is graciously letting us use their kitchen.
