Director's Note —We're Moving!

It is with great excitement that we announce that HMEA's Autism Resource Central will be moving from our current location to a new home on Plantation Street in Worcester. This has been a wish for several years. We've been off a public bus line for 12 years, ever since we moved to our Sterling Street Location in 2006. When we first moved here we only occupied about 1/3 of the space in this location. In 2006 we had 5 staff members, 3 of which were part time employees. We now have 8 employees so the space has become a bit cramped. HMEA's IFF's program and MFOFC program share this space with us and will continue to share space with us in Worcester. This is a natural alliance, we all have similar missions : Family Support and Education. The big news is that we will also be sharing the new location with HMEA's Children's ABA Services as they expand, offering Center Based Services. This feels like another good fit and also meets a critical need for families in our area.

We'll have distinctly separate spaces but will share conference rooms and be able to better collaborate. This is a dream come true and we look forward to having an open house in the fall so you can all come and see our new home.

In other news, we are launching our Respiatality Initiative this summer with two lucky families receiving a get away . Interested? See page 3 and submit your application for the drawing. In order to make this a regular offering for families we are hosting a special FUNdraising event on September 21, 2018. I hope you will all join us for what promises to be an enjoyable evening. Check it out below!

RESPITALITY

We are quite excited to be launching a new initiative, Respitality. What is it?

HMEA's Autism Resource Central's Respitality will give caregivers a break, in a local hotel, with complimentary meals and extras such as gift certificates, spa services, flowers and tickets to local events. While caregivers are relaxing and enjoying their night off, a stipend covers the cost of care for the loved one with a disability by a person of the caregivers' choice.

We know that providing care for a child or an adult with autism spectrum disorder requires energy and commitment. At HARC we understand the demands placed on a caregiver; we know that caregivers are often in a continuous state of alert and we know this stress can take its toll on families and relationships. HARC's Respitality will give caregivers a minivacation to relax, reconnect, recharge, refocus, recommit and reduce stress.

HARC is always seeking to expand our array of services for families and realize our vision for a future in which people with autism will have every opportunity to learn, grow, work, live and thrive in our community. As a community, we also embrace the families who provide care and assistance to children and adults with autism spectrum disorders.

We will be seeking sponsors for this program. Sponsorships will cover the respite payment to a family's provider. Donations of gifts in kind, gift certificates, tickets for entertainment, and gift certificates for spa services will all be requested as well as donations of hotel accommodations. Couples will be drawn in a lottery for available overnight get aways. We will launch with 2 getaways and then expand the program next fall. Watch our website and weekly updates for more information. We ask that those who receive respite from other sources refrain from entering.

We are thrilled to be partnering with Publick House in Sturbridge, which has donated two overnights with Dinner & Breakfast included. The Courtyard by Marriot in Westboro has donated accommodations for two with breakfast .

To apply to be considered for a Respitality Get Away, please fill out the application below and submit by June 29, 2018. Applicants must be family members registered with the Center. Winners will be selected in a random drawing .

Please fill in the following information and return to

HMEA's Autism Resource Central, 71 Sterling St , West Boylston MA

NEED HELP?

Does your family include someone with a developmental disability?

When a family includes a child with special needs parenting becomes even more of a challenge. There are no manuals and finding the help that is available becomes a full time job . Nobody has time for THAT! Learn how to navigate the system, receive assistance with applications, connect with others facing similar challenges, and give your other children the chance to explore their feelings about the difference in their family while having fun by participating in a Sibshop !

Through a grant from the Massachusetts Developmental Disability Council, HMEA's Autism Resource Central will bring this program to your Community Health Center and help you get a footing for the road forward. With the right supports your and your family can achieve more, feel the confidence that comes with knowledge, and experience less stress .

This program is open to ALL with a child diagnosed with a developmental delay. Call today to register .

Free One Day Conference for Families with Disabilities Centro

437 Main St, Fitchburg MA

July 25, 2018

10AM– 4PM

10:15 AM — 12 PM

SPECIAL EDUCATION LAW

Learn how to work effectively with your child's school to support your child to achieve goals and to learn.

12:15 PM – 2 PM

SENSORY PROCESSING

Many children with disabilities also experience sensory challenges. Learn how to make your child more comfortable in his world.

2:15 PM — 4 PM

ACCESSING PUBLIC SUPPORTS

Learn about public supports that will help you raise your child with a disability. Get assistance with applying to DDS, Mass Health & more

SIBLING SUPPORT 10 AM—1 PM

Brothers & Sisters often have questions and concerns about their sibling . Sibshops address the unique challenges these special siblings face in a fun format including games and food !

CHILDCARE , INTERPRETERS
AND LUNCH WILL BE PROVIDED
