

5K Run / Walk - Thank You!

The first year of the ASD Adults involvement as a group in HMEA's Autism Resource Center's Annual 5K Run / Walk Fundraiser was a huge success. I want to thank all of the ASD adults and their families who were involved for an outstanding job attending the event, donating and collecting donations. Through your heroic support, our team, Autism Hero's Through Time, surpassed our expected goal by raising over \$2000.00 for ASD Adult Events!!!

A special thank you goes to

- ASD Adult Volunteers who created and ran the new Teen and Adult area.
- ASD Adult Walk Committee Members: Gregory Rosen, Stephen Perkins, and Jack Watson!!!
- Adam Wilson, Director of Calm Passion and his wife for donating their skills and time for the Jedi training and Captain America shield training.
- Family Behavioral Health for sponsoring the Teen and Adult area and for providing extra activities.
